<sup>1</sup>The 45338 Model is specially designed with an 8" storage space to accommodate dunnage. All dimensions and specifications are approximate. Interior height dimensions measured from center. Variances may result due to center crown. Tare weight is based on the 2-drop door black model and will vary based on color and configuration. Performance characteristics are based on uniform static loads and may be affected by concentrated loads and elevated temperatures.

Materials and workmanship guaranteed for 1 year. Material: HDPE.
